Train Like You Trial ~ Happy Dogs Training Center opened in February 2019 to provide a place where individuals passionate about dog training can train in a “trial-like” setting on their own schedule. There’s no need to spend your time setting up gating and pulling out jumps. At Happy Dogs you will always find two full-sized (40’ x 50’) rings set up to simulate what you will see at an obedience trial. If Rally is your sport, you’ll find a full rally set up and sample course sheets at ringside.

Train on Your Own Schedule ~ Happy Dogs offers a unique program where members can train on their own schedule. Similar to a gym, Happy Dogs offers an annual membership that provides members with keyed access to the building 24 hours a day, 7 days a week so they have a place to train on their own schedule. Drop-in rates and training packages also available. Questions - contact us at info@HappyDogTC.com.

SEMINARS & WORKSHOPS

Animal Rehabilitation & Conditioning Center and **Happy Dogs Training Center** are excited to announce that Rob Porter will be coming to Happy Dogs to conduct his [“It’s Possible!” Canine Conditioning Workshop](#). Canine conditioning reduces the risk of injury, builds stamina and endurance, bridges the gap between rehabilitation and competition and keeps dogs mobile, comfortable and functioning at higher levels as they age. Whether your dog is active in obedience, conformation, or agility, they will benefit from Rob Porter’s “It’s Possible” conditioning program. A limited number of working and auditing spots available.

Other seminars coming to **Happy Dogs Training Center** in 2019 include [Julie Hill’s Competition Obedience Workshop](#) on July 6th & 7th and [Brenda Riemer’s Mental Skills for Competition Handlers](#) on September 21st & 22nd.
