HAPPY DOGS TRAINING CENTER - MEMBERSHIP AGREEMENT

ACCEPTANCE OF LIABILITY, RISK, AND INDEMNIFICATION: I am responsible for the successful training, control and conduct of my dog at all times while on the premises of Happy Dogs Training Center. I am solely liable for any injury to persons or damage to property caused by my dog. I hold harmless, indemnify, and defend Happy Dogs Training Center, LLC from all injuries or damage caused by me or my dog whatsoever.

___ *I have read and agree to the indemnification/liability conditions.*

DECLARATION OF PET'S HEALTH: My dog is in good health, not injured and is free of internal/external parasites, communicable diseases, and has received appropriate vaccinations including Bordetella.

___ *I declare that my pet is in good health and has received appropriate vaccinations including Bordetella.*

HOUSEKEEPING RULES

1. Members will sign the training log when they arrive and leave the building.
2. At the end of a scheduled training session, members agree to use the Ryobi cordless shop vac (located in the crating area) to vacuum hair, food debris and visible dirt from the training rings and around crates used during training session.
3. Members further agree to store extra boards and training aides in racks or areas designated for storage, clean crates, training table and stanchions used as a food target.
4. Members should wipe up dog slobber, spilled water, food residue and stains with a cloth (moistened with water) or the mop (located in storage room). Slobber and spilled water left on the floor becomes a dirt spot when it dries.
5. Training sessions are scheduled in one-hour increments. Members should spend sufficient time after training to clean up after themselves and their dogs.
6. Members agree to clean up and dispose of dog waste outside the building. Members agree to use the mop (located in the storage closet) to clean the floor when their dog has an accident in the ring. If paper towels are used to pick up waste or absorb urine or vomit, they should be placed in a sealed bag and deposited outside in the dog waste receptacle. The dog waste receptacle is not for your personal trash.
7. Do not let your dog urinate in front of the building, on the building, flowerpots or on the waste receptacle. If a mistake occurs, please clean up after your dog.
8. Do not dump water from your dog's dish into the kitchen or bathroom sinks. Take it outside and throw it onto the grass. Hair and crumbs in water dishes plug the drains.
9. Members will supervise and maintain control of their dog(s) during training sessions and while on the premises.
10. Dogs must be crated when not attended to by members. This includes running free after training sessions. No exceptions.
11. Children under 18 years of age must be accompanied and supervised by an adult.
12. Members agree to keep their dog's nails trimmed to avoid damage to mats and injury to their dog.

___ *I have read and agree to abide with the above Housekeeping Rules #1-12.*

6. A "training session" is one-hour unless someone is waiting to use the ring. If no one is waiting, members may extend a training session beyond one hour.
7. Members (and guests) should be courteous and communicate with each other while training to ensure shared access to the training area and equipment with other members and guests.
8. Happy Dogs Training Center does not proscribe a particular training philosophy. Members and guests are responsible for training their own dogs using the methods and techniques of their choosing.

___ I have read and agree to abide with the Training Guidelines #1-8.
